'Don has been coming to our church once a year for some-time now. Our congregation always looks forward to Don's visit. He is a blessing to those who experience his ministry. I encourage any church to enjoy the gifts God has given to Don.' Rev. Jaime Nolla, Senior Pastor, Christ Church, Racine, WI

"Don Shire has been a wonderful blessing to our church each time he has visited. Don has been blessed with the amazing ability to combine masterful trumpet playing with a worldwide ministry of reaching people for Christ and then uplifting people in our church with what God is doing!" Mel Svendsen, Senior Pastor, Harvest Bible Chapel Lake Zurich, IL

"Don Shire will leave an impression upon your church group or organization that they will never forget. Not only is Don a very talented trumpeter but his love for the Lord and heart for missions comes through as loudly and clearly as his trumpet." - Mike Cornell, General Manager WRVM Inc., "Wisconsin's Radio Voice of the Master!"

I am glad to be able to recommend Don Shire and his trumpet ministry to you. I have seen Don minister to a church congregation in an inspiring and God-directed way, and to our sound engineer in the recording studio where we worked recently.

Don is one of the premier Christian trumpet artists in America and I am thrilled to hear him play on recordings and live. I would even stack up his trumpet playing against any secular trumpet artist very favorably.

Have Don Shire come to your church, he has music and ministry that every age group will enjoy and be blessed by.

I love his heart for God and others, and I love his dedicated trumpet artistry. What a combination!

From a friend, fan, and admirer,

Don Marsh
arranger, producer, and Professor at the Center for Worship and Music at Liberty University

Don Shire is an evangelist, musician, outstanding trumpet player, and promoter of missions around the world. Don has an authentic zeal to involve all of God's people in the great cause of reaching the nations with the Gospel of Jesus Christ. Expect a humble man with great talent and a burden for souls. He has ministered in our church, and I would recommend him to any congregation. Dr. James H. Carlson, Cornerstone Baptist Church, Ludington, Michigan

Don truly is a wonderful man of God and his "Faith in Action" is evident to all! I highly recommend you taking time out to schedule a concert or a time of ministry with them very soon. Our various times together with the Shire's have helped establish a sound foundation for our church and have allowed in roads into our community. Pastor Dan Gibson, Senior Pastor Winneconne Christian Fellowship

We have had the joy of having Don do several concerts at our church. Don has more than the ability to play the trumpet well. He has the gift of ministering to us, both through music and his words. I would highly recommend Don to any church that desires a concert that will be well done and where the focus will be on magnifying God. Pastor Jim Gesell, Antigo Community Church, Antigo, WI
